## **Techttextil North America & Texprocess Americas Recognized in Fastest 50 for 2018 Events**

The 2018 editions of Techttextil North America and Texprocess Americas have each been named one of Trade Show Executive's 50 Fastest Growing shows of 2018.

Techttextil North America and Texprocess Americas were co-located at the Georgia World Congress Center in Atlanta. With exhibitors from around the world, the two-in-one event brought decision makers from all of the major industries that touch technical textiles, nonwovens, and sewn products together in one place to experience the latest product innovations, supply chain solutions, and top-tier educational opportunities.

Techttextil North America, the only North American event dedicated to technical textiles and nonwovens, has made the list in all three categories: net square feet of exhibit space, number of exhibiting companies and total attendance.

Texprocess Americas, which showcases machinery, equipment, parts, supplies, systems, technology, supply chain solutions, and other products and services used for the development of sewn products, has made the list for net square feet of exhibit space.

Recipients of the 2018 Fastest 50 will be honored at Tradeshow Executive's Fastest 50 Awards & Summit, June 18-20, 2019 at Harrah's Resort Atlantic City in New Jersey.

Techtextil North America and Texprocess Americas will return to Atlanta's Georgia World Congress Center from May 12-14, 2020.
