**The East Coast's largest sourcing event returns in a big way with brand new suppliers and sourcing opportunities.**

Registration for the Summer 2023 Edition of Texworld New York City, Apparel Sourcing New York City, and Home Textiles Sourcing is now open for attendees. The influential event will take place July 18-20 at the Javits Center in New York City.

The can't-miss co-located event continues to create opportunities to support the textile and apparel sourcing community by connecting global manufacturers and suppliers to the U.S. market and serves as a place of inspiration for designers, buyers, and industry professionals alike. Texworld New York City offers a wide product range covering the entire fabric spectrum, from casual cotton to functional fabrics and sophisticated knits to intricate laces. Apparel Sourcing New York City provides attendees direct access to suppliers specializing in ready-to-wear for men, women, children, and accessories. The expansive July event is set to feature over 60 product categories from hundreds of worldwide exhibitors including pavilions from Korea, Taiwan, and Uzbekistan. Attendees can easily find exhibitors offering ethical and sustainable products, low MOQ manufacturers, and North American suppliers on the show floor.

More than just sourcing, Texworld New York City is a forum for the industry to learn and stay up-to-date on the latest innovation in textile and state of the trade industry. The summer 2023 program, composed of Textile Talks, Explore the Floor, and the Lenzing Seminar Series, is designed to offer insightful and informative sessions for every role and level of experience across all segments of the industry. The Texworld Trend Showcase also returns to the show floor with the latest material innovations and color palettes for the Fall/Winter 2024-2025 season, curated by New York-based agency, Doneger | TOBE.

Making a triumphant return to the show floor, Home Textiles Sourcing will showcase 150+ international exhibitors representing a multitude of countries including Turkey and China. As a long-term joint venture partnership between Messe Frankfurt and CCPIT-TEX, Home Textiles Sourcing is the only event in North America to solely focus on fabrics and finished soft goods for all home applications. Held annually alongside Texworld and Apparel Sourcing New York City, the show provides manufacturers, retailers, jobbers, converters, contract specifiers, and designers a dedicated avenue to locate new fabrics and products for their latest home

collections. In addition to sourcing, visitors will also be able to take advantage of interactive workshops, home-specific educational seminars, and discover the latest in home textile trends.

### **Key Partnerships Continued**

Following a successful winter debut, *Printsource New York* will return to bring expanded product offerings and resources to buyers. Printsource serves as a hub for the world's top creative talent and showcases hundreds of collections by international surface and textile design studios. The show is a key resource for thousands of apparel, paper goods and home textile manufacturers, retailers and catalogs. Product categories include men's, children's and women's apparel, bed and bath, decorative fabrics, kitchen and tabletop, paper goods and stationery, wall coverings, window fashions as well as other surface and textile design applications.

*Global Footwear Sourcing*, a special feature area in partnership with Material Exchange and Footwear Distributors & Retailers Association, will also return to the show floor this July. The showcase will feature a wide range product categories including shoe material components and finished footwear from both physical and hybrid manufacturers.

In addition to the attendee-favorite Lenzing Seminar Series, longtime Texworld New York City partner, Lenzing will re-introduce their exhibitor pavilion with a multitude of sustainable offerings.

### **Background information on Messe Frankfurt**

The Messe Frankfurt Group is one of the world's leading trade fair, congress and event organizers with their own exhibition grounds. With a workforce of 2,200 people at its headquarters in Frankfurt am Main and in 28 subsidiaries, it organizes events around the world. As in the previous year, annual sales for 2021 were significantly lower owing to the COVID-19 pandemic: approximately €154 million compared with Group sales as high as €736 million in pre-pandemic 2019. We serve our customers' business interests efficiently within the framework of our Fairs & Events, Locations and Services business fields. Sustainable business practices are a central pillar in our corporate strategy and strike a healthy balance between ecological and economic interests, social responsibility and diversity. Another of Messe Frankfurt's strengths is its powerful and closely knit global sales network, which covers around 180 countries in all regions of the world. Our comprehensive range of services – both onsite and online – ensures that customers worldwide enjoy consistently high quality and flexibility when planning, organizing and running their events. We are using our digital expertise to develop new business models. The wide range of services includes renting exhibition grounds, trade fair construction and marketing, personnel and food services. With its headquarters in Frankfurt am Main, the company is owned by the City of Frankfurt (60 percent) and the State of Hesse (40 percent).
