

news +++ The Clean Show

August 23 – 26, 2025, Orlando, FL

March 4, 2025

## Registration opens for the 2025 edition of The Clean Show

**The 2025 edition of The Clean Show comes with exciting updates. The next edition of North America's largest exposition for laundering, dry cleaning, textile care services, supplies, and equipment will take place at the Orange County Convention Center in Orlando, FL from August 23 – 26, 2025.**

Registration for the 2025 edition of The Clean Show is open. This event attracts the greatest concentration of laundry and dry cleaning professionals, textile rental service providers, hotel and healthcare laundry managers, and commercial laundry operators looking for solutions to enhance efficiency, sustainability, and profitability. Bringing together thousands of industry professionals from around the world, The Clean Show is renowned for its unmatched opportunities to explore the latest products, see live equipment demonstrations, network, and learn.

"We are excited for 2025. It has been three years since the last event and the industry is eager to reconnect. The Clean Show remains the largest and most important show with a reputation for providing a platform for business exchange with a wide presentation for every segment of the industry – attracting both loyal and new customers each year, stated Greg Jira, show director, The Clean Show, Messe Frankfurt Inc. Planning is well underway and this year will include an expanded exhibitor offering and a host of new innovations.

### Program Highlights

#### Clean Show Education:

Education remains at the heart of The Clean Show experience. With sessions organized by the event partners, Association for Linen Management (ALM), Coin Laundry Association (CLA), Dry-cleaning & Laundry Institute (DLI), Textile Care Allied Trades Association (TCATA), and Textile Rental Services Association of America (TRSA), these five industry-leading associations will share the latest market trends, information and insight on key subject matter - everything from operational best practices and workforce development to sustainability initiatives and new technology integration.

### Innovation Awards:

This year's show introduces an exciting new feature: The Clean Show Innovation Awards, celebrating excellence and ingenuity across the textile care sector. The awards will recognize the most groundbreaking products, technologies, and sustainable solutions making an impact across all segments of the industry. With this goal of highlighting the latest innovations in the industry, this edition will focus on 4 various categories: Best New Application; Best New Product; Best New Technology for Sustainability; Best New Technology for Automation.

Visitors interested in registering for the event, may do so [online here](#). Visitors are encouraged to register in advance to minimize wait times on-site for their badge and avoid the increased onsite price.

Additional information on the show, educational sessions, and any of the association-driven receptions, can be found on the [official website](#).
